

とびっきり数独8

The book cover features a vibrant design with winter-themed illustrations. At the top, the title 'とびっきり数独8' is written in large, stylized characters. Below it, a 9x9 Sudoku grid is shown with some numbers filled in. The grid is surrounded by illustrations of a green beanie, blue mittens, a yellow sweater, and a ball of purple yarn. The word 'SUDOKU' is written in a purple, bubbly font across the grid. At the bottom, the word '中級' (Intermediate) is written in large yellow characters, and a yellow circle contains the text 'アタマが喜んだ!' (My head is happy!). The publisher's name 'nikoli' is at the bottom center, and a small box indicates the difficulty level '難易度 4~8 (10段階で)'.
